V. Report on Honors Program

Dr. Lasky presented the report to the Council. He reported, in part, that the program has been in operation for four years and there are 205 students enrolled this semester. University honors were emphasized first and require 21 semester hours of general education courses plus a 4 semester hour senior seminar. The departmental honors programs are not uniform but provide flexibility within the department. They must require a senior thesis and have a writing requirement. There is a high degree of student involvement in the entire honors program. Dr. Lasky introduced four honors students and they answered questions concerning their involvement in the honors program.

VI. Draft Resolution on Entrance Requirements

The two drafts of the Resolution were discussed and merged. Dr. Barger moved and Dr. Aulabaugh seconded approval of the final Resolution to be sent to members of the BOG and BHE. Voting on the motion resulted in it passing unanimously.

The meeting adjourned at 3:15 p.m.
